Greetings Visitors! Welcome to the **BRAND NEW** website, it is my hope that you find this new system much easier to navigate and use. It will allow us to keep you better informed of information surrounding this and future encampments within the Michigan Wing. Please register yourself as a user and start posting in the forums. If you have questions, the appropriate people will respond.

This website, at least until shortly after this years encampment will be a 'living' system, so don't be suprised to see new things added from day to day. Also, and most importantly, the week of encampment. Newsletters will be published to the website and we're hoping to have a certain level of 'blogging' being done to update everyone on the day to day operations of encampment this year.

Click the above 'Registration Info' menu item to download the encampment application packet!

This years senior command staff will be: **Maj Christopher Freytag**, Commander **Maj Jonathan Reid**, Vice Commander (*note: e-mail address has been corrected in encampment application packet*)
Capt Daniel D. French, Executive Officer **Maj Christina Watts**, Commandant of Cadets

This years cadet command staff will be: **C/Col Beth Dumont**, Cadet Commander **C/Capt Geoff Gloceri**, Cadet Vice Commander **C/Lt Col Robert Bowden**, Cadet Executive Officer

Sincerely, Mark L. Curtis, 1st Lt, CAP Director of Public Affairs 2008 MIWG Encampment For those of you who are just learning about the Civil Air Patrol, please visit gocivilairpatrol.us
